Estuary Crossing Shuttle Schedule Changes

Changes in the Estuary Crossing Shuttle schedule will become effective on Monday, October 17. The Estuary Crossing Shuttle will depart from the Alameda stops five minutes earlier; extend service until noon and end service at 6:30 p.m.; and switch the shuttle bus layover to Oakland instead of 860 Atlantic Avenue. These minor schedule adjustments were made to correspond with Peralta students' schedules.

The Estuary Crossing Shuttle service is available for passengers to board and alight at the College of Alameda's Ralph Appezato Memorial Parkway frontage, at 860 Atlantic Avenue, and in Oakland, on Madison Street near the Lake Merritt BART station and Laney College. The service operates at 30-minute intervals from 6:55 a.m. to noon, and 3:25 p.m. to 6:30 p.m., Monday through Friday, and utilizes a 36-foot, compressed natural gas (CNG) bus with capacity for 24 passengers and 12 bicycles. The project is funded by a one-year grant from the Bay Area Air Quality Management District, and may be eligible for a second year of funding.
